

外国出張報告書

平成 26 年 11 月 10 日

1. 出張国名 タイ
2. 出張月 平成 26 年 10 月 ～11 月
3. 出張目的 第4回国際イネ会議（IRC）への参加：B
4. 成果の概要

The 4th International Rice Congress was held in Bangkok.

I participated as a speaker presenting a talk on concepts of breeding for phosphorus deficient.

In addition I presented a poster on internal phosphorus utilization efficiency.

The organizers furthermore asked me to act as chairperson for two sessions.

Thus I chaired a session on agronomy and one on new concepts in root research.
