1. 出張国名 オーストラリア
2. 出張月 平成 27 年 10 月
3. 出張目的 国際シンポジウム ISRR-9 Roots Down Under 参加：B

#### 4. 成果の概要

I was able to attend the conference “ISRR9: Roots Down Under- Belowground solutions for global challenges” and present results of my project in the session “Root architecture and plant nutrition”.

My contribution to the conference was accepted as poster presentation based on my abstract “Unravelling the impact of root hairs in rice (*Oryza sativa* L.) varieties in response to limited supply of Phosphorus”.
