

Erratum: “Breeding of Waxy Barley Cultivars in the National Barley Breeding Program of Japan” by Tonooka, T., JARQ 57: 251-259

On p. 256, Fig. 5, the photo should be upside down. The correct photo is as follows:

Fig. 5. Boiled pearled grains incubated at 70°C for 18 h after boiling

Left: Kirarimochi; Right: Ichibanboshi (Normal cultivar)

This figure was provided by Dr. A. Takahashi of the Institute of Crop Science, NARO.
