Inaugural Address—Schoichiro Nakagawa	i
Keynote Address—Kentaro Himeno	iii
Welcome Address—Kinya Kushibuchi	v

COUNTRY REPORTS

Studies on the tropical and subtropical pasture resources and their exploitation prospects in China	-Fu-Zeng Hong	1
Perspectives in Philippine pastures	-Reynaldo C. Mendoza	9
Trends in pasture and forage production in Brunei Darussalam	-Hassan Damit, Abdullah Hj Bagol and John G. Woodford	23
The research and development of pastures in Peninsular Malaysia	-Chin Peng Chen	33
Pastures in Thailand	-Chanchai Manidool	53
Forage and pasture production in Indonesia	-M. E. Siregar	61
Pastures in Sri Lanka	-A. B. P. Jayawardana	71
Present situation of and future prospects for grassland farming in Japan	-Sukeo Kawanabe	87

SPECIAL REPORTS

Utilization of local resources for pasture plant cultivars	-P. S. Cocks	99
Nutritive value of agricultural by-products used in Malaysia	-Kiyomi Kosaka	109
Utilization of local agricultural products and by-products for the improvement of calf starter ration in Malaysia	-Eitaro Imaizumi	119
Assessment of the quality of forage from its chemical composition and application to feeding program	-Akira Abe	133
Preservation and quality improvement of semi-dried roughages by ammonia treatment	-Nobuo Yahara	151
Productivity of grass-legume pasture and its contribution to animal production in the tropics	-Nobuyoshi Maeno	159
Introduction of tropical legumes and development of legume-based pastures in subtropical Japan	-Yukio Kitamura	173
Sylvo-pastoral systems in Thailand	-Chanchai Manidool	187
Intensive production systems for pastures in the humid tropics	-Hiroshi Sawada	195
Factors affecting the management of tropical and temperate pastures	-Yoichi Nada	209
Research on improvement of tropical pastures—case study in New Caledonia	-Bernard Toutain	213

Meat productivity of cattle and buffaloes in Sri Lanka	
-Shinobu Ozawa	217
A modelling approach for prediction and control of grassland ecosystems	
-Masae Shiyomi	225
Remote sensing techniques for grassland management and assessment of agricultural development	
-Tsuyoshi Akiyama	241

GENERAL DISCUSSION

Closing Remarks	
-Sukeo Kawanabe.....	263
