

List of Participants

SPEAKERS

- ARWOOTH N. L. First Grade Officer
Department of Agriculture
Bangkhen, Bangkok
Thailand
- CHENG, C. P. Senior Specialist
Plant Industry Division
Joint Commission on Rural Reconstruction
Taipei, Republic of China
- FERNANDO, G. W. E. Director
Agricultural Research Station
Maha-Illuppallama
Republic of Sri Lanka
- JAIN, H. K. Head, Division of Genetics
Indian Agricultural Research Institute
New Delhi, India
- KURIEN, P. P. Discipline of Rice and Pulse Technology
Central Food Technological Research Institute
Mysore, India
- BALUCH, M. K. Vegetable Botanist
Food, Agriculture and Cooperation Department
Government of Baluchistan
Quetta, Pakistan
- PALO, A. V. Pathologist
Bureau of Plant Industry
Department of Agriculture and Natural Resources
Manila, the Philippines
- SADIKIN S. Head, Sukamandi Branch
Central Research Institute for Agriculture
Bogor, Indonesia
- TUNG, T. C. Director
Institute of Biological Chemistry
Medical College
National Taiwan University
Tapei, Republic of China
- (Japan)
- EBINE, H. Chief, Fermentation Division
National Food Research Institute
- FUKUI, J. Professor
Faculty of Agriculture
Iwate University
- HASEGAWA, T. Head, 2nd Laboratory of Entomology
Environment Division
Tohoku National Agricultural Experiment Station

- IIDA, W. Professor
Faculty of Horticulture
Chiba University
- ITO, R. Research Coordinating Officer
Agriculture, Forestry and Fisheries Research Council
Secretariat
Ministry of Agriculture and Forestry
- KAIZUMA, N. Faculty of Agriculture
Iwate University
- KEGASAWA, K. Head, Laboratory of Upland Insect Pest
Upland Farming Division
Hokkaido National Agricultural Experiment Station
- KOBAYASHI, H. Head, 1st Laboratory of Entomology
Environment Division
Tohoku National Agricultural Experiment Station
- KONNO, S. Head, 2nd Laboratory of Upland Farming
2nd Division of Physiology
National Institute of Agricultural Sciences
- MATSUMOTO, S. Head, 3rd Laboratory of Crop
2nd Agronomy Division
Tohoku National Agricultural Experiment Station
- MOTOMIYA, G. Chief, Upland Crops Development Division
Raw Silk and Horticulture Bureau
Ministry of Agriculture and Forestry
- NAGATA, T. Professor
Faculty of Agriculture
Kobe University
- NARUKAWA, T. Head, 2nd Section of Leguminous Crop
Hokkaido Prefectural Tokachi Agricultural Experiment
Station
- OBA, T. Senior Research Officer
2nd Agronomy Division
Tohoku National Agricultural Experiment Station
- SAIO, K. Senior Research Officer
Nutrition Division
National Food Research Institute
- SAITO, M. Head, 1st Section of Leguminous Crop
Hokkaido Prefectural Tokachi Agricultural Experiment
Station
- TAKEUCHI, S. Head, Peanut Breeding Laboratory
Chiba Prefectural Agricultural Experiment Station
- WATANABE, T. Director
National Food Research Institute

PARTICIPANTS

HASHIZUME, K.	Research Officer, Laboratory of Food Nutrition Division National Food Research Institute
IGUCHI, T.	Head, 4th Laboratory of Crop 2nd Crop Division National Kyushu Agricultural Experiment Station
KAWANO, M.	Research Officer, 3rd Division Department of Farm Management and Land Utilization National Institute of Agricultural Sciences
MIKOSHIBA, K.	Head, Designated Experiment Upland Crop Breeding Division Kikyogahara Branch, Nagano Prefectural Agricultural Experiment Station
MURAKAMI, K.	Chief, Division of Genetics Department of Physiology and Genetics National Institute of Agricultural Sciences
NAKANO, M.	Professor Faculty of Agriculture Meiji University
OKUBO, T.	Head, 1st Laboratory of Cropping System Upland Farming Division Central Agricultural Experiment Station
ONO, Y.	Research Officer, 2nd Laboratory of Cropping System Upland Farming Division Central Agricultural Experiment Station
OTA, T.	Head, Laboratory of Fermentation Chemistry Fermentation Division National Food Research Institute
SAMBUICHI, T.	Research Officer, 1st Section of Leguminous Crop Hokkaido Prefectural Tokachi Agricultural Experiment Station
SATO, T.	Professor Faculty of Agriculture Kobe University
SHINGAKI, S.	Professor Faculty of Agriculture Ryukyu University
SHINGAKI, Y.	Research Officer Okinawa Prefectural Agricultural Experiment Station
TAIRA, H.	Head, Laboratory of Nutrition Chemistry Nutrition Division National Food Research Institute

- TAKASHIRO, H. Head, 1st Laboratory of Upland Farming
1st Crop Division
Hokkaido National Agricultural Experiment Station
- WATANABE, I. Research Officer, 2nd Division of Physiology
Department of Physiology and Genetics
National Institute of Agricultural Sciences
- YAMAKI, T. Director
Ibaragi Horticultural Experiment Station
- YAMAMOTO, T. Head, 3rd Laboratory of Upland Farming
1st Crop Division
Hokkaido National Agricultural Experiment Station
- YARIMIZU, H. Head, Upland Farming Technology Section
Upland Farming Division
Oita Prefectural Agricultural Experiment Station
- YUNOKI, T. Head, Laboratory of Pathology
Environment Division
Tohoku National Agricultural Experiment Station

THE SYMPOSIUM ORGANIZING COMMITTEE

Chairman:

- MATSUMI, N. Director, Upland Farming Division
Central Agricultural Experiment Station

Member:

- AKEMINE, H. Director
Department of Physiology and Genetics
National Institute of Agricultural Sciences
- ASAKAWA, M. Deputy Research Coordinating Officer
Agriculture, Forestry and Fisheries Research Council
Secretariat
Ministry of Agriculture and Forestry
- HANADA, K. Assistant Professor
Faculty of Agriculture
Tokyo Education University
- HATAI, N. Senior Research Officer
Department of Plant Pathology and Entomology
National Institute of Agricultural Sciences
- ITO, R. Research Coordinating Officer
Agriculture, Forestry and Fisheries Research Council
Secretariat
Ministry of Agriculture and Forestry
- MATSUURA, S. Chief, Research Planning and Coordination Division
National Food Research Institute
- MOTOMIYA, G. Chief, Upland Crops Development Division
Raw Silk and Horticulture Bureau
Ministry of Agriculture and Forestry
