

**List of Participants**

## LIST OF PARTICIPANTS

- Hari Krishina Pande  
Professor of Agricultural Sciences  
Head, Rice Processing Engineering Centre  
Indian Institute of Technology  
Kharagpur 721302, West Bengal, India
- Gatot Sunary  
Head, Sub-Directorate of Construction 1  
Directorate of Irrigation  
Directorate General of Water Resources Development  
Department of Public Works and Electric Power  
Jalan Pattimura 20, Kebayoran Baru  
Jakarta, Indonesia
- Otje S. R. Bratamijaya  
Head, Water Management Service  
Directorate for Food Crops Protection  
Directorate General of Agriculture  
Department of Agriculture  
Pasar Minggu, Jakarta, Indonesia
- Soekarso Djunaedi  
Agronomist-Assistance  
Exploitation Section  
Gambarsari Pesanggraham Irrigation Project  
Directorate General of Water Resources Development  
Department of Public Works and Electric Power  
Jalan Pattimura 20, Kebayoran Baru  
Jakarta, Indonesia
- Cheong Chup Lim  
Assistant Director-General (Planning)  
Drainage and Irrigation Department  
Swettenham Road, Kuala Lumpur, Malaysia
- Sebastian I. Julian  
Chief, Research and Development Division  
National Irrigation Administration  
APC Building, Quezon Memorial Circle  
Diliman, Quezon City, Philippines
- G. E. M. Gomez  
Head, Hydrology Division  
Irrigation Department  
Colombo—7, Sri Lanka
- John Aroonkumar Lewis  
Research Officer (Irrigation Agronomy)  
Agricultural Research Station  
Maha-Illupalama, Sri Lanka
- Charin Atthayodhin  
Chief, Operation and Maintenance Division  
Royal Irrigation Department  
Samsen Road, Bangkok, Thailand

- Wisit Cholitkul                    Chief, Soil Chemistry and Fertility Branch  
Agricultural Chemistry Division  
Department of Agriculture Bangkok, Thailand  
Bangkhon, Bangkok, Thailand
- Peter Kung                         Senior Agricultural Officer, FAO  
P.O. Box 1101, Chiangmai, Thailand
- (Japan)
- Kaname Ezaki                     Chief, Land Improvement 3rd Laboratory  
Land Improvement Division  
National Research Institute of Agricultural Engineering  
1943 Yawata, Hiratsuka-shi
- Shoichiro Nakagawa             Assistant Director (Planning)  
National Research Institute of Agricultural Engineering
- Yutaka Onikura                 Chief, Soil and Fertilizer Laboratory  
Environment Division  
Central Agricultural Experiment Station  
Konosu, Saitama
- Hiroshi Sakai                     Head, Environment Division  
Central Agricultural Experiment Station
- Katsuo Sugimoto                 Senior Research Officer  
2nd Research Division  
Tropical Agriculture Research Center  
Kitanakazuma, Yatabe-cho, Ibaraki-ken
- Ichiro Tanaka                    Chief, 1st Laboratory of Plant Physiology  
1st Division of Plant Physiology  
Department of Plant Physiology and Genetics  
National Institute of Agricultural Sciences  
Konosu, Saitama
- Shigetaka Taniyama             Assistant Chief  
Land Improvement and Consolidation Division  
Construction Department  
Bureau of Agricultural Structure Improvement  
Ministry of Agriculture and Forestry  
Kasumigaseki 1-2, Chiyoda-ku, Tokyo
- Kiyomitsu Yukawa               Professor  
Ishikawa Agricultural College  
Suematsu, Nonoichi-machi, Ishikawa-gun, Ishikawa-ken
- Mitsuhiro Goto                 Research Officer  
1st Research Division  
Tropical Agriculture Research Center

- Takashi Hayashi                      Expert of Agricultural Engineer cooperating with the Government of Indonesia
- Takashige Kimura                    Head  
Construction Office of Shirakawa Land Improvement Project  
Koide 481-6, Nagai-shi, Yamagata-ken
- Satoru Motomura                    Chief, 1st Laboratory of Soil Condition and Productivity  
2nd Soil Division, Department of Chemistry  
National Institute of Agricultural Sciences  
Nishigahara 2-1-7, Kita-ku, Tokyo
- Toshio Murakami                    Chief, 2nd Rice Laboratory  
1st Crop Division  
Hokkaido National Agricultural Experiment Station  
Hitsujigaoka, Toyohira-ku, Sapporo
- Hiroshi Nakamichi                   Senior Engineer, Planning Division  
Bureau of Planning and Coordination  
National Land Agency  
Azabudai 1-6-19, Minato-ku, Tokyo
- Toshihiko Nishio                    Senior Research Officer  
Farm Operation Division  
Central Agricultural Experiment Station
- Toshiki Saito                        Chief, 1st Construction Section  
Construction Office of Minosanroku Land Improvement  
Project  
Yoshiimachi 614-2, Ukiha-gun, Fukuoka-ken
- Kunio Takase                        Deputy Director  
Economic Research and Technical Appraisal Department  
Overseas Economic Cooperation Fund (OECF)  
Iino Building, Uchisaiwai-cho 2-1-1, Chiyoda-ku, Tokyo
- Noboru Yamada                      Ex-Director  
Tropical Agriculture Research Center
- Shigeo Yashima                      Research Officer  
Laboratory of Regional Planning  
Land Improvement Division  
National Research Institute of Agricultural Engineering
